## It's Back to School Time!

Submitted by Superintendent Wayne Weber

I hope everyone is enjoying our beautiful August weather and the remaining days of summer. We are eager to welcome all of our students on Tuesday, September 4, for the first day of the 2018-2019 school year.

Summer is always a busy time for our staff with critical building improvements facilitated by our incredible team of maintenance and custodial staff. Each summer, our custodians perform a deep cleaning of each of our schools to ensure that our buildings are looking their best when students walk in on the first day. When you see our school custodians, please take a moment to thank them for their tremendous efforts.

This summer, our major maintenance project was continuing the energy efficiency upgrade work to all four campuses which began last summer. Some of that work can be seen, like the new windows at Rosendale Primary and the new chiller unit at Laconia High School, while other improvements will be felt throughout the year with greatly improved air exchange and temperature control capabilities in all buildings.

Work like that mentioned above has been happening in schools each summer since before I was a student. Not much has changed over the years when it comes to cleaning, painting, and waxing. What has changed dramatically over the past decade is the need to address school safety and student mental health.

This is where our efforts and needs continue to evolve. We are continuing work to improve the security infrastructure in our buildings. A great portion of this work will be paid for with the funding we received from the School Safety Grant program and will continue throughout the school year. These efforts will help improve upon an already safe and healthy learning environment for our students and staff.

We will also focus on social and emotional learning (SEL), which aims to develop resiliency, responsible decision-making, healthy relationships, and empathy. Research continues to show that social and emotional learning not only creates a healthy context for learning to take place, but that these skills actually enhance academic rigor. Along with SEL, our staff will receive additional training in Adverse Childhood Experiences and Trauma Sensitive Schools. We will also continue our work to improve our tiered supports for students that allow us to differentiate our approach to meet the diverse academic and emotional needs of our students.

These are topics we are dealing with in education at a far greater level than ever before. Today's children are exposed to and consume information a far greater pace than ever before. They lead far more complex lives, have more opportunities, experience more stress, and have more diverse needs than children in my generation. Because of reasons like these, we need to continue to evolve our approach to working with our young people. It reminds me of the adage, "No one said it would be easy. They just promised it would be worth it."

On behalf of the incredible team of educators and support staff who serve the children of the Rosendale-Brandon School District, thank you for putting your faith in us to provide your children with a world-class education. We look forward to working with you throughout the year to ensure the success of all of our students.

# Counselor's Corner

## Mark Your Calendars!

Submitted by Laconia High School Counselor Diane Raue

As the summer winds down, everyone is starting to plan for a great start to a new school year. Here are a couple of things to keep in mind.

### Freshmen:

\* All freshmen should have received an invitation to the Freshmen Transition Program for either Tuesday, August 14th or Thursday, August 16th from 11:30-1:15 pm. Students may attend either day. If you haven't signed up yet, please do so ASAP by calling 872-2161 and leaving a message in the main office. While most students are familiar with the building, this is their opportunity to learn about our expectations and how we operate. They'll also have a chance to pick up their chromebooks!

\* After the first couple weeks of school have settled, I will be meeting individually with each freshman student for a brief "meet and greet." This is my opportunity to meet with each student and check in to see how the transition from middle school is going.

\* At course selection night, we talked about the opportunity for freshmen to participate in the free, mental-health YScreen program. Students will be hearing more about the program in the first weeks of school and bringing information home to their parents/guardians regarding how they can take part in this confidential program.

### Juniors:

\*Juniors will be attending the Wisconsin Education Fair at Marian University on September 25th. This is an opportunity for students to meet with over 100 different representatives to begin gathering information for their post-secondary plans.

### Seniors:

\*Hopefully some of you have been able to tour some colleges over the summer, started your list of activities/awards/honors, and are ready to hit the ground running in a few weeks. I'll be visiting Mr. Froseth's Consumer Economics courses on Sept. 7th to cover everything you need to plan for a successful senior year and post-secondary options.

### Graduates:

In case your plans have changed, it's not too late to apply to UW Fond du Lac or any other of the two year campuses in the UW System, and do it for free! This one-time waiver is intended to encourage more students to apply to college. University of Wisconsin System President Ray Cross announced that the application fees will be waived, effective immediately and through Sept. 7, for students applying to any of the 13 two-year UW Colleges campuses for the upcoming fall 2018 term. This is when the largest volume of applications to the UW Colleges are usually submitted. The one-time application fee waivers are intended to eliminate one possible barrier for prospective students.

### Parents:

The start of another school year is a great opportunity to establish some new practices when it comes to your child's education. The following suggestions may help you and your child get started on the right foot and continue on a path of success for this and following years.

A high predictor of student success is parent involvement in schooling. At least once during the school year, speak with each of your child's teachers.

Let your child see that his or her school is important to you, too. Attend school activities and conferences. Show interest in what goes on each day at school.

Talk to your children about what they're studying in school and try to find ways to support what they're learning.

Make lifelong learning a high priority in your home. Encourage reading for pleasure and let your child see you reading.

Help your child set up a homework schedule and plan other family events around that schedule.

Instill a positive attitude. Help your children to think, "I can do this."

Be clear about your expectations with regard to school. Expect young people to do their best, but allow them room to make mistakes. Remember to recognize their accomplishments and efforts

Please contact Diane Raue at 872-2161 or [rauedia@rbsd.k12.wi.us](mailto:rauedia@rbsd.k12.wi.us) for more information about any of the above events.

## Summer Reading Thank You

Submitted by Pam Mumm and Amy Slonecker

We would like to express sincere thanks and gratitude to all that volunteered and participated in the “Libraries Rock” summer library program held at Rosendale Intermediate School. This year we had over 80 registered children participate in our weekly programs and over 85 registered for the final magic show by Great Scott the Magician. Thank you to all of the children and caregivers who came to our program this summer!

Our summer reading program ran from June 13-July 11. During those five weeks, we ran four different programs. We started out in our first week reading books about music and inviting children to create their own musical instrument with a variety of recycled supplies. During the second week, kids showed us their rhythm on the bucket drums with some help from Mrs. Vandeberg and Mr. Blashe. The third week brought Miss Coffee who sang songs and played guitar with the children. Finally,

the audience was wowed with the illusions and tricks of Great Scott the Magician during the last library program of the summer.

Please help us extend a huge thank you to our community supporters who donated the funds to operate the summer reading program and/or prizes for our participants: Enie Halfman, Ever Green Growers, Inc., Knaus Cheese, Inc., Lasting Impressions, Marchant Excavating, Moon Marine, Mueller’s Service Center, Pizza Ranch of Waupun, Rosendale Lions, St. Bernard’s Animal Medical Center, the Tarnows, L-Club, and Cirrus High School. You deserve more accolades than we can possible give. Our summer program COULD NOT have happened without your enthusiasm and dedication.

Keep reading and we’ll see you at the library next summer for “A Universe of Stories” as we explore a space theme!

## ATTENTION, ALL PARENTS OF 3 YEAR OLDS: JOIN US FOR RBEL!

Rosendale-Brandon Early Learners, RBEL, is a free program designed specifically for you and your 3 year old child. It is a chance for you to bond in an academic environment for an evening and to help prepare you both for 4-year old kindergarten. Remember, this evening is strictly for you and your 3 year old child (no siblings please). One or more parents/guardians must accompany their 3 year old. There is no need to sign up or register, but feel free to contact us if needed.

**What:** RBEL (Rosendale-Brandon Early Learners)

**Who:** 3-year old children and their parent(s)

**Where:** Rosendale Primary (4K classroom)

**When:** 1st Tuesday of each month from 5:30-7:30pm (Oct-May)

### BENEFITS FOR PARENTS:

- bond with your 3 year old
- network with other parents
- ask questions about parenting and/or developmental growth of your child
- learn about various topics and concerns you may have for your child
- experience hands on activities for you to do with your child that are developmentally appropriate

### BENEFITS FOR CHILDREN:

- a one-on-one evening with their most important leader – their parent(s)!
- exposure to areas such as math, fine motor skills, sensory, science and early literacy!
- begin to socialize with peers and develop friendships
- exposure to a 4K classroom setting

### R-BEL NIGHTLY SCHEDULE:

- 5:30-5:45 – Circle time welcome and story (parents and children)
- 5:45-6:15 – Split group (parent meeting with coffee and children's play/snack time)
- 6:15-7:15 – Activities (parents complete these with children)
- 7:15 Closing (parents and children)

## YOU ARE YOUR CHILD'S FIRST AND MOST IMPORTANT TEACHER!

# Life Skills @ the Library Submitted by Cindy Bailey and Christy Ross

Cindy Bailey, Laconia LMS, and Christy Ross, Director of Brandon Public Library have been working together for many years. They are glad to announce Laconia and the Brandon Public Library have been awarded a nearly \$10,000 grant from the Institute of Museum and Library Services, which administers the Library Services and Technology Act (LSTA). This project will be aimed at students of high school age (14-19 years old) that reside within the Rosendale-Brandon School District or the area that is served by the Brandon Public Library. Adults are welcome as space allows. Please contact the librarian if interested to check availability.

These workshops will teach the attendees basic life skills, while encouraging students to think for themselves, gain independence and grow relationships with peers. There will be a series of 8 workshops (one per month September thru May, skipping December) that will fill the gap of not having home-economics offered in school. The workshops will be the same at both locations - so feel free to attend one or the other or both.

The workshops will run from 6:00 pm - 8:00 pm and will cover a variety of topics, so mark your calendar as you do not want to miss a single workshop.

Laconia is offering their program on the first Thursday of the month.

Brandon Public Library has their workshops held on the fourth Wednesday of every month.

Workshops are FREE! Registration for the workshops is appreciated, but not required. Contact Cindy or Christy to be added to the list.

Senior Yearbook Pictures
Submitted by LHS Yearbook Advisor Danielle Olejniczak

Seniors should submit one photograph for publication in this year’s Laconian to Mrs. Olejniczak at publications@rbsd.k12.wi.us, mail or drop off a CD, or deliver it in person by December 1, 2018. More information about pictures and the senior photo policy will be distributed to seniors in the first week of school. This policy is in place to ensure the quality of each student’s photo in the yearbook. If you wish a copy of the policy, simply email and one will be provided.

The 2016 Tom Halfman Memorial Laconia Golf Classic

About Tom Halfman and the Event

Tom Halfman was a well-known and respected member of the Rosendale community right up until his unexpected death in 2004. Tom was always giving of his time and talents and was best known for his hard work in the maintenance and improvements of the ball diamonds in Rosendale known today as “Tom Halfman Memorial Field.” Tom’s wife Enie started the golf event in 2005 in order to keep the spirit of giving back alive in Tom’s name. Thanks to the past generosity of participants and sponsors of the event, the outing has generated over \$100,000 for the benefit of the Rosendale-Brandon Schools including annual cash scholarships awarded to outstanding seniors of Laconia High School. This annual event includes fun for all, golfers and non-golfers alike. Non-golfers are welcome to join in the fun including a dinner buffet, raffle prizes, and live auction. South Hills Country Club is known for its outstanding greens and has some unique and challenging hole layouts. Each year the outing features a theme to add to the camaraderie and fun. ”70’s Disco” is the theme for this year. The outing also features an opportunity to win a car with a hole-in-one along with various hole prizes for both men and women golfers.

Dear Area Businesses and Contributors,

The 14th Annual Tom Halfman Memorial Laconia Golf Classic will be held on Saturday, September 15th, 2018 at Rolling Meadows Golf Course in Fond du Lac. (Please note the change of venue this year)

All proceeds will again be used to benefit educational programs with the Rosendale-Brandon School District being the primary recipient. Thanks to the success of last year’s event, \$10,742 in proceeds was disbursed as follows:

Table with 2 columns: Amount, Item. Rows include: \$5,000 Five \$1,000 Laconia Scholarships, \$1,500 SMART Team Donation, \$800 German Exchange Club, \$600 Science Club, \$500 Band Uniform Donation, \$500 Fisbee Golf and Cross Country Bridge Project Supplies - Eagle Scout Project, \$500 Dolly Parton Book Club, \$500 Summer Reading Program, \$422 Lions Club - Disabled Office Computer Program, \$200 Laconia Football Club, \$150 Brandon Public Library, \$70 Laconia Football Club - 2 Fleece Jerseys

Once again we are looking for contributions from area businesses and others as door prizes, hole event prizes, and silent auction items. In addition, we are in need of hole sponsors. A \$200 hole sponsorship includes a professionally designed and printed 18” x 24” sign clearly displayed on a tee box at the course. A hole sponsor also receives recognition via a large display in the registration area.

If you are interested in donating to the benefit or have any questions, please contact Enie Halfman at 920-517-8494 or via email at thalfman1@charter.net.

Prizes and/or donations should be sent to: Enie Halfman, P. O. Box 42, Rosendale, WI 54974

Please submit prizes and/or contributions to the above address by September 1.

All support and contributions are greatly appreciated. Thanks to all who have contributed to the tremendous success of the event in the past!

Sincerely,

Enie Halfman

## ROSENDALE-BRANDON SCHOOL DISTRICT POLICY 443.5: ELECTRONIC COMMUNICATION DEVICES

The Board of Education of the Rosendale-Brandon School District believes that the possession and/or use of electronic communication and laser pointer devices by students in school is potentially disruptive to the educational setting and/or dangerous to others within the school. The Board also believes that electronic communication devices may serve a legitimate purpose in school.

The Rosendale-Brandon School District regulates use or possession of electronic paging devices or two-way communication devices. Permission of a parent/guardian and school administrator is required before use or possession is allowed. Examples of regulated devices include cellular telephones, personal computers, hand-held electronic planners (e.g. Palm Pilot), pagers, two-way radios, and laser pointers.

This rule is in effect while the student is on school premises and/or attending school activities that are held either on or off school premises. School premises include any place which is owned, rented, or under the control of the Rosendale-Brandon School District.

Permission may be granted for the use or possession of an electronic communication device if the principal/designee determines that the device is necessary for a medical, educational, vocational, or other legitimate purpose.

Permission for possession of a regulated device is allowed after an Electronic Communication Device Permit is signed by a parent/guardian, approved by the principal/designee, and on file in the principal's office. The permit will only be valid for the school year in which it was filed. Permitted use may be regulated or restricted due to related District concerns. Examples of District concerns include safety, potential for disruption to educational processes, and security issues related to connecting a personal computer to the District network.

Permission to possess a regulated device is dependent on observing the following rules:

1. The student accepts full responsibility for the security of the device.
2. The Rosendale-Brandon School District does not accept responsibility for lost or stolen devices. Investigation by school officials of loss, theft, or damage will be minimal.

3. The student cannot carry the device during regular school day hours unless the student has written permission from the principal.
4. Student agrees to carry a copy of their permit and present it upon request to any school staff member.
5. The student agrees to use the device only for the purpose that is stated on their written permit.
6. The student agrees that the electronic device will remain turned off except when the student is using the device for the purpose expressly approved via the written permit. This means that the device will not ring, beep, vibrate, buzz or exhibit other displays that indicate that the device is activated.
7. Use or possession of cell phones with photographic capabilities is not permitted in locker rooms, bathrooms, or other locations where privacy is an issue. Improper use of these devices can result in disciplinary action up to and including expulsion.

Disciplinary procedures regulating possession and/or use of electronic communication devices without permission will be determined by building administration and may include temporary or permanent confiscation of the device. The building administration may involve law enforcement if the device is used for an illegal purpose or for a purpose that causes harm to others.

Students, parents, and faculty will receive annual notice of this rule.

Whenever this policy is revised by the Board of Education, the district administrator/designee shall submit a copy of the revised policy to the State Superintendent of Public Instruction.

2. Be courteous.
3. No profanity.
4. Do not eat or drink on the bus.
5. Violence is prohibited.
6. Remain seated.
7. No smoking.
8. Keep your hands and head inside the bus.
9. Do not destroy property.
10. For your own safety, do not distract the bus driver.
11. The school bus is an extension of the classroom; many of the same rules apply.

Note: It would be much appreciated if parents would inform their children of the above mentioned rules and also review the follow Parent Responsibilities from the transportation handbook.

1. Parents must realize that school bus transportation is a privilege, not a right. Students who misbehave may be denied the privilege of riding on the bus since their misbehavior jeopardizes the safety of the entire school bus.
2. Parents will be notified prior to withdrawal of such privileges by the school principal or designee.
3. Parents should encourage their children to observe and practice all of the rules and regulations.
4. Students will ride on assigned buses. Parents must request in writing any exceptions to this rule. Requests will only be granted by the school principal or his/her designee. Parents will assume the responsibility for their child when such a request is made and granted.
5. Parents should call their bus driver, Lapers Garage at 346-2689, or another student rider if their child is not riding the bus.
6. Parents are responsible to pay for damage to school buses when such damage is the result of vandalism.
7. The responsibility for students that ride school buses rests with the parents until the students actually board the bus for school and after the students get off the bus on the return trip.

Van/Bussing of 4K, 5K, and Early Childhood Students

Students who are in the Early Childhood, 4-year-old kindergarten (4K) and regular kindergarten (5K) programs need special care in van/bussing. In the interest of student safety, the following points will be followed by the Rosendale-Brandon School District:

1. A responsible adult and/or responsible older brother/sister must be with the Early Childhood, 4K, 5K student upon van/bus pickup. If the child is alone, the van/bus will pick up the child, and the family will be contacted for future proper safety arrangements.
2. A responsible adult and/or older brother or sister must meet the child at the van/bus stop for child drop off. If the child is crossing the road, the adult and/or responsible older sibling should meet the child at the van/bus and walk him/her across the road.
3. Other special arrangements may be made through direct contact with the District Director of Transportation. Arrangements must be approved by the Director of Transportation and written permission must be on file with the Rosendale-Brandon Director of Transportation.
4. Children who cannot be dropped off will be transported back to a district school and supervised at parental expense. The school will attempt to contact the parent.
5. Repeated violations of this policy may result in the transportation not being provided for said child.

APPROVED: 7/21/08

Important Notice for Bus/Van Riders

Parents, please have your child ready to ride the bus or van at approximately 6:35 a.m. After the bus and van routes have been traveled a day or two, the bus or van will arrive at your home at approximately the same time every day. If there are no pick-ups after three consecutive days, the bus or van will no longer stop until a parent or guardian notifies Laper’s at (920) 346-2689 or Jeff Thomas at (920) 872-5308.

Parents are strongly urged to have their K-12 children at school bus or van pick-up points early enough so that the bus or van does not have to wait. Many times this problem has resulted in the entire busload (or van) arriving late for school, and it is also a major inconvenience for other vehicles waiting along the road for children to board the bus or van.

The only requirement for a bus or van pick-up is to make a complete stop and wait a reasonable time (approximately 10-15 seconds unless the bus or van is ahead of schedule). Obviously, the bus and van drivers will wait if they see a child running from the house, and it is reasonable to assume this may happen. However, it is greatly appreciated if parents make certain that their K-12 children are out to the bus or van stop prior to the bus or van arrival. Thank you.

\*\*\* BUS ROUTES EAST OF ROSENDALE: Due to construction on Hwy 23 east of Rosendale, pickup and drop off times may vary on ALL routes east of Rosendale. Thank you for your cooperation with this matter. \*\*\*

Lunch Program, August 2018

The Rosendale-Brandon School District will be using PowerLunch, which is part of the PowerSchool Student Software, for the school lunch program. You may access the schools website, [www.rbsd.k12.wi.us](http://www.rbsd.k12.wi.us) to view your child’s lunch account. The system will record lunch and milk purchases that your child makes. **Money needs to be deposited into each child’s accounts. One check may be written, but there needs to be direction as to how the money is to be split amongst the children.** For example: a family of 2 children and a check for \$50.00. It could be split 50/50 giving them \$25.00 each, 60/40 giving one child \$30.00 and the other \$20.00, 75/25 giving one child \$37.50 and the other \$12.50, whatever you choose but there **needs to be some indication as to what amount each child receives. If no indication is made, the amount will be split equally.**

For students that participate in the morning milk break (grades PreK - 5th grade), the classroom teacher records milk taken daily on a tally sheet. The milk taken will then be entered into the child’s account.

A bar code is created for each student. Students at the elementary and intermediate level will enter the cafeteria, select their purchases and then their name will be scanned from a book as they pass by the individual who is scanning. Students at the high school level will be issued a card with their name and student ID number on it. When the student enters the cafeteria for lunch, they will select their purchases and type in their student ID number at the end of the line. The items taken will then be charged to the students account.

The ala carte option at Laconia High School will again be offered. This program allows student to select specific food items, paying only for the items selected. This program is designed to give students greater choices in their lunch selections. **A permission form must be signed with an amount indicated by the parent in order for their child to participate in the ala carte room. The staff will do their best to follow the limit set, but you are responsible for all charges that your child makes to the account.**

**\*\*\*NO PURCHASES WILL BE ALLOWED IN THE ALA CARTE ROOM IF THE STUDENT HAS A NEGATIVE BALANCE. \*\*\***

- Some benefits of the PowerLunch software are:
- Payments will go into an account that is set up for that individual child. Payments may be sent with any child, you can use the e~Funds for Schools option on our District website or mailed to:  
Rosendale-Brandon School District  
Attn: Lunch Accounts  
300 Wisconsin St  
Rosendale, WI 54974
  - Payments will be entered each morning upon receiving them in the district office. If sending cash, a receipt will be issued if the payment is \$20.00 or greater.

**PUBLIC RELEASE: NATIONAL SCHOOL  
LUNCH AND BREAKFAST PROGRAMS, SPECIAL MILK PROGRAM**

## RELEASE STATEMENT

The Rosendale-Brandon School District today announced its policy for children unable to pay the full price of meals served under the National School Lunch Program and Special Milk Program. Household applications are required to receive free or reduced price meals at the following site(s): Brandon School, Rosendale Primary School, Rosendale Intermediate School, Laconia High School and Cirrus Charter School.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals or free milk if a split-session student does not have access to the school lunch. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

Application forms are being sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals or free milk, households must fill out the application and return it to the school (unless notified at the start of the school year that children are eligible through direct certification). Additional copies are available at the office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by agency or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals or free milk for children in a household where one or more household members receive FoodShare, FDPIR, or Wisconsin Works (W-2) cash benefits, list the FoodShare, FDPIR or W-2 case number, list the names of all school children, sign the application, and return it to the school office.

For the school officials to determine eligibility for free or reduced price meals or free milk of households not receiving FoodShare, FDPIR or W-2 cash benefits, the household must provide the following information requested on the application: names of all household members, total number of household members, and the adult signing the application form must also list the last four digits of his or her Social Security Number or mark the box to the right of “Check if no SSN”. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal and free milk policy Cindy Pierstorff, Determining Official will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to: Mr. Wayne Weber, District Administrator, 300 W. Wisconsin St, Rosendale, WI 54974 (920) 872-2851.

If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals or free milk if the household income falls at or below the levels shown above, and they may reapply at that time.

Children formally placed in foster care are also eligible for free meal benefits. Foster children may be certified as eligible without a household application. Households with foster children and non-foster children may choose to include the foster child as a household member, as well as any personal income available to the foster child, on the same application that includes their non-foster children.

The information provided by the household on the application is confidential. Public Law 103-448 limits the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs. Consent of the parent/guardian is needed for other purposes such as waiver of text book fees.

**Non-discrimination Statement:**

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Spartan Sentinel - August 9, 2018

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](http://www.ascr.usda.gov/complaint_filing_cust.html), (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) mail: U.S. Department of Agriculture

This institution is an equal opportunity provider.

Any questions regarding the application should be directed to the determining official.

# Family Educational Rights and Privacy Act (FERPA)

The Family *Educational Rights and Privacy Act* (FERPA), a Federal law, requires that the Rosendale-Brandon School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Rosendale-Brandon School District may disclose appropriately designated "directory information" without written consent unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the Rosendale-Brandon School District to include this type of information from your child's educational records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets (such as for wrestling, showing the respective weights and heights of team members).

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to the Spartan Sentinel, District website or to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want the Rosendale-Brandon School District to disclose directory information (including to military recruiters), from your child's educational record, you must fill out Policy 824.41, Request To Withhold Directory Data/Information within 14 days of the annual notification of rights. Rosendale-Brandon School District has designated the following information as directory information:

- **Student's name**
- **Dates of attendance**
- **Student's photograph**
- **Degrees and awards received**
- **Under Title IX Section 9528, to provide military with names, addresses, and phone number**

These laws are Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the *No Child Left Behind Act of 2001* (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the *National Defense Authorization Act for Fiscal Year 2002* (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.

# Notice to Parents from Rosendale-Brandon School District

As a parent of a student at Rosendale-Brandon Schools, you have the right to know the professional qualifications of the classroom teachers that instruct your child. Federal law allows you to ask for specific information about your child's classroom teachers and requires that we respond in a timely manner when we are asked for such information. You have the right to ask for the following information in regard to your child's teachers:

- Whether the Wisconsin Department of Public Instruction has licensed or qualified the teacher for the grades and subjects he or she teaches
- Whether the Wisconsin Department of Public Instruction has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances
- The teacher's college major, whether the teacher has advanced degrees, and, if so, the subject of those degrees
- Whether any teachers' assistants or similar paraprofessionals provide services to your child, and if they do, their qualifications

If you would like to receive any of this information, please call District Administrator Wayne Weber at (920)872-2851.

ROSENDALE-BRANDON SCHOOL DISTRICT POLICY 333.1

PARENT RIGHTS AND DISTRICT

PROGRAMS/ACTIVITIES

Parents/guardians may inspect, upon request, any instructional material used as part of the educational curriculum for students. In addition, parents/guardians may request program or curriculum modifications or deny their child’s participation in certain District educational programs or activities in accordance with state and federal laws and regulations. Specifically, parents/guardians may:

- (1)

Request that their child be provided with program or curriculum modifications, including but not limited to: (a) modifications within the student’s current academic program, (b) a school work training or work study program, (c) enrollment in an alternative public school or program located in the District, (d) enrollment in any nonsectarian private school or program located in the District (e) home study, including nonsectarian correspondence courses or other courses of study approved by the Board or nonsectarian tutoring provided by the school in which the student is enrolled, and (f) enrollment in any public educational program located outside the District.
- (2)

Request reasonable accommodations for their child with regard to examinations and other academic requirements based on their child’s sincerely held religious beliefs.
- (3)

Request that their child not participate in instruction in human growth and development or instruction in certain health-related subjects (physiology and hygiene, sanitation, the effects of controlled substances and alcohol upon the human system, symptoms of disease and the proper care of the body).
- (4)

Request that their child not participate in any survey administered or distributed to students in the schools that reveals information concerning any of the following:
  - political affiliations or beliefs of the student or the student’s parent;
  - mental and psychological problems of the student or the student’s family;
  - sex behavior or attitudes;
  - illegal, anti-social, self-incriminating or demeaning behavior;
  - critical appraisals of other individuals with whom students have close family relationships;
  - legally recognized privileged relationships such as those of lawyers, physicians and ministers;
  - religious practices, affiliations or beliefs of the student or student’s parent;
  - income other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program.

Parents/guardians may inspect, upon request, any survey containing items related to any of the above information and any survey created by a third party, as well as

any instructional materials used in connection with any such survey. If a survey containing any of the above information is funded in whole or in part by any program administered by the U. S. Department of Education, written consent shall be obtained form the student or, in the case of a minor student, the student’s parent/guardian before the student participates in the survey.

- (5)

Request that their child not participate in any activities involving the collection, disclosure or use of personal information collected from students for the purpose of marketing or selling that information, or otherwise providing that information to others for that purpose. “Personal information” includes individually identifiable information such as a student or parent’s first and last name, address, telephone number or Social Security identification number. Upon request, parents/guardians may inspect any instrument used in the collection of personal information from students for marketing or selling purposes before the instrument is administered or distributed to students.
- (6)

Request that their child not participate in any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance, (b) administered by the school and scheduled by the school in advance, and (c) not necessary to protect the immediate health and safety of the student, or of other students. “Invasive physical examination” means any medical examination that involves the exposure of private, body parts, or any act during such examination that includes incision, insertion or injection in the body, but does not include a hearing, vision, or scoliosis screening.

Parents/guardians shall make any of the above requests, in writing, to the building principal or designee. All requests will be judged individually based upon state and federal guidelines. The principal or designee shall respond to such requests in a timely manner.

If a parent/guardian is not satisfied with the building principal’s or designee’s decision, he/she may have the request reviewed by the District Administrator and, if still not satisfied with the decision, the School Board. Appeals may be made beyond the Board as authorized by law.

Accommodations made under this policy shall be provided to students without prejudicial effect.

The District shall inform parents/guardians of this policy at the beginning of each school year.

ANNUAL NOTICE OF SPECIAL

EDUCATION REFERRAL AND

EVALUATION PROCEDURES

Upon request, the Rosendale-Brandon School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child’s parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Director of Special Education, Rosendale-Brandon School District, at 920-872-5321, or by writing him at Rosendale Intermediate, 200 S. Main Street, Rosendale, WI 54974.

NOTICE OF BUDGET HEARING,

SECTION 65.90 (4): AUGUST 27, 2018

Notice is hereby given to the qualified electors of the Rosendale-Brandon School District that the Budget Hearing will be held in the Laconia High School Auditorium, on the 27<sup>th</sup> day of August, 2018 at 7 o’clock in the evening. The summary of the budget is printed here. Additional budget information is available for inspection at the Administration Office located at the Rosendale Primary School, 300 Wisconsin Street, Rosendale, WI.

e~Funds for Schools

\*\*\*\*\*DO NOT MAKE PAYMENTS ON THE RETIREE TAB\*\*\*\*\*

On-line payment option for families is available. Please visit our website at [www.rbsd.k12.wi.us](http://www.rbsd.k12.wi.us) for more information.

The Rosendale-Brandon School District offers a program called e-Funds for Schools. This program offers various options for parents/guardians who choose to make payments on-line and is extremely user friendly. Not only will you have the ability to have your payments electronically withdrawn from your checking account or charged to your credit card, you also have the flexibility to make a payment at any time through the school’s website. The e-Funds for Schools charge for processing your payment(s), similar to other on-line banking services. The district does not request or keep records of family checking or credit card account information.

The “e-Funds for Schools” electronic payment service is provided to the school by a third party service provider. The service provider has a fee for their service. This plan applies a \$1.00 transaction fee to each electronic payment you make. Payments made by credit card, there is a flat fee of \$2.45 per \$100. The system also carries a Non-Sufficient Funds (NSF) charge of \$15.00. When you set up your account, please review your options carefully.

You are in full control of your account and can make a payment when it is convenient for you. No payments will be allowed without your knowledge and authorization through this secure payment system. By providing your home and/or work email address, an email notification informing you of the student’s name , purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed. The e-Funds for School site is secure and uses industry standard data encryption.

How does e-Funds for Schools work?

- Families set up and maintain their own logins, passwords, and payment preferences. Your account information is retained in a password protected file.
- e-Funds for Schools will help to eliminate last minute check writing hassles, improve efficiencies, and help cut costs for both you and the school district.
- On-line payments will help eliminate the worry that your children could lose or forget the money intended for school or that it might be spent on other non-school related items.
- Payments from a credit card or checking account may easily be set up.
- Parents/guardians may establish a reoccurring payment or may opt to make a one-time payment.
- Your history for the year is available with a click of the mouse.

Other payments such as class fees, band rental, field trips, etc. can also be made using the e~Funds for Schools payment system.

Please choose carefully where you intend the payment to be applied and to which child when making a payment. Again, please **DO NOT MAKE PAYMENTS ON THE RETIREE TAB. Thank you!**

# Confidentiality of Personally Identifiable Information Obtained Through Child Find Activities

Rosendale-Brandon School District is required to locate, identify, and evaluate all children, with disabilities, including children with disabilities attending private schools in the school district, and homeless children. The process of locating, identifying, and evaluating children with disabilities is known as child find. Each February the Rosendale-Brandon School District conducts a developmental preschool screening to meet the requirements of the child find activity. This notice informs parents of the records the school district will develop and maintain as part of its child find activities. This notice also informs parents of their rights regarding any records developed.

The school district gathers personally identifiable information on any child who participates in child find activities. Parents, teachers, and other professionals provide information to the school related to the child’s academic performance, behavior, and health. This information is used to determine whether the child needs special education services. Personally identifiable information directly related to a child and maintained by the school is a pupil record. Pupil records include records maintained in any way including, but not limited to, computer storage media, video and audiotape, film, microfilm, and microfiche. Records maintained for personal use by a teacher and not available to others and records available only to persons involved in the psychological treatment of a child are not pupil records.

The school district maintains several classes of pupil records.

- “Progress records” include grades, courses the child has taken, the child’s attendance record, immunization records, required lead screening records, and records of school extra-curricular activities. Progress records must be maintained for at least five years after the child ceases to be enrolled.

- “Behavioral records” include such records as psychological tests, personality evaluations, records of conversations, written statements relating specifically to the pupil’s behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization and lead screening records, law enforcement officers’ records, and other pupil records that are not “progress records.” Law enforcement officers’ records are maintained separately from other pupil records. Behavioral records may be maintained for no longer than one year after the child graduates or otherwise ceases to be enrolled, unless the parent specifies in writing that the records may be maintained for a longer period of time. The school district informs parents when pupil records are no longer needed to provide special education. At the request of the child’s parents, the school district destroys the information that is no longer needed.

- “Directory data” includes the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received, and the name of the school most recently previously attended by the student.

- “Pupil physical health records” include basic health information about a pupil, including the pupil’s immunization records, an emergency medical card, a log of first aid and medicine administered to the pupil, an athletic permit card, a record concerning the pupil’s ability to participate in an education program, any required lead screening records, the results of any routine screening test, such as for hearing, vision or scoliosis and any follow-up to the test, and any other basic health information, as determined by the state superintendent. Any pupil record relating to a pupil’s physical health that is not a pupil physical health record is treated as a patient health care record under sections 146.81 to 146.84, Wisconsin Statutes. Any pupil record concerning HIV testing is treated as provided under section 252.15, Wisconsin Statutes.

The Family Educational Rights and Privacy Act (FERPA), the Individuals with Disabilities Education Act (IDEA), and section 118.125, Wisconsin Statutes, afford parents and students over 18 years of age (“eligible students”) the following rights with respect to education records:

- The right to inspect and review the student’s education records within 45 days of receipt of the request. Parents or eligible students should submit to the principal a written request that identifies the records(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. The school district will comply with the request without unnecessary delay and before any meeting about an individualized education program, or any due process hearing, and in no case more than 45 days after the request has been made. If any record includes information on more than one child, the parents of those children have the right to inspect and review only the information about their child or to be informed of that specific information. Upon request, the school district will give a parent or eligible student a copy of the progress records and a copy of the behavioral records. Upon request, the school district will give the parent or eligible student a list of the types and locations of education records collected, maintained, or used by the district for special education. The school district will respond to reasonable requests for explanations and interpretations of the records. A representative of the parent may inspect and review the records.

- The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Rosendale-Brandon School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the district decides not to amend the record, the district will notify the parent or eligible student of the decision and the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information in the student’s education records, except to the extent that federal and state law authorizes disclosure without consent. The exceptions are stated in 34 CFR 99.31, Family Educational Rights and Privacy Act regulations; Sec. 9528, PL107-110, No Child Left Behind Act of 2001; and section 118.125(2)(a) to (m) and sub. (2m), Wisconsin Statutes. One exception that permits disclosure without consent is disclosures to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Also the district discloses “directory data” without consent, unless the parent notifies the district that it may not be released without prior parental consent.

- The right to file a complaint with the U. S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.

## ROSENDALE-BRANDON SCHOOL DISTRICT POLICIES

**Non-discrimination**  
The Rosendale-Brandon School District, in accordance with state and federal law, does not discriminate because of the person’s sex, race, color, religion, gender, sexual orientation, age, national origin, ancestry, creed, disability, military or veteran status, political affiliation, pregnancy, marital or parental status, physical, mental, emotional or learning disability or hardship, or other basis prohibited under state and federal law, in its employment and educational policies and practices, including those for career and Technical Education courses. Any grievance regarding discrimination or complaint regarding harassment should be filed in writing with Mr. Nate Roets, Laconia/Cirrus High School Principal, specifying the alleged violation.

**Student Harassment**  
The Rosendale-Brandon School District seeks to provide a learning environment free of any form of harassment or intimidation toward and between students. Therefore, the District will not tolerate harassment in any form and will take all necessary and appropriate action to eliminate it, up to and including expulsion of offenders.

“Student harassment” means inappropriate behavior toward students which is unwanted, unwelcome and repeated and which substantially interferes with a student’s school performance or creates an intimidating, hostile, or offensive school environment.

It is the responsibility of students, staff, and others to help enforce this policy so that these prohibited activities do not occur in District schools. The principals are responsible for disciplining offenders. The Board believes that when it comes to student discipline, each individual situation needs to be addressed according to the severity of the incident, along with the intellectual and emotional stage of each student as well as all of the relevant facts and circumstances.

Any student, who believes that he/she has been the subject of harassment or any parents/guardians who believe their child has been subjected to harassment, shall report the matter in accordance with established procedures. There shall be no retaliation against students who file reports under this policy. All reports shall be investigated in a timely manner.

**Complaint Procedures**  
District contacts for filing complaints include Nate Roets and Bernie Skupas.

**Formal Complaint Procedure:**  
Step 1: A written statement of the complaint shall be prepared by the complainant and signed. This complaint shall be presented to the district administrator. The district administrator shall send written acknowledgement of receipt of the complaint within 45 days.

Step 2: A written determination of the complaint shall be made by the board within 90 days of receipt of the complaint unless the parties agree to an extension of time; appeals under 20 USC s. 1415 and ch. 115, Wis. Stats., relating to the identification, evaluation, educational placement, or the provision of a free appropriate public education of a child with an exceptional educational need shall be resolved through the procedures authorized by ch. 115, subch. V, Wis. Stats, Complaints under 20 USC s. 1231 e-3 and 34 CFR ss. 76.780-76-782, commonly referred to as EDGAR complaints, that the state or a subgrantee is violating a federal statute or regulation that applies to a program shall be referred directly to the state superintendent.

Step 3: If a complainant wishes to appeal a negative determination by the board, he/she has the right to appeal the decision to the state superintendent within 30 days of the board’s decision. In addition, the complainant may appeal directly to the state superintendent if the board has not provided written acknowledgement within 45 days of the receipt of the complaint or made a determination within 90 days of receipt of the written complaint. Appeals should be addressed to: State Superintendent, Wisconsin Department of Public Instruction, 125 South Webster Street, P.O. Box 7841, Madison, WI 53707-7841.

Step 4: Discrimination complaints on some of the above basis may also be filed with the federal government at the Office for Civil Rights, U.S. Department of Education, 111 North Canal Street, Suite 1053, Chicago, IL 60606.

**FFA Summer Fun**  
Submitted by FFA Adviser Linda Sattler

What the best way to have an AWESOME 2018-2019 Laconia FFA Year? Great planning, of course. Thanks to the Waupun Area, Lomira, and Campsbellsport FFA Chapters for a great FFA Officer Training.

It was hot, hot, hot at the Eldorado Parade but the Laconia FFA kept their cool. We love to support our Rosendale-Brandon area communities!

Laconia FFA members Kendra Hopp, Kaylee Mess, Zack Ruenger, and Conner Bruins attended the Wisconsin State FFA Convention. The Wisconsin FFA Convention celebrates the accomplishments of the students, advisors and supporters. It hosts over 3,000 members, advisors and guests, representing 250 local agricultural education programs. This year’s convention was held June 12 to 15 at the Alliant Energy Center Exhibition Hall in Madison, Wis. Laconia FFA members also attended the FFA Day on the Hill event, learning how to properly engage with state legislators; the Change Lives; Teach Ag Workshop experiencing life as an ag teacher; and Ag Expo visiting ag related organizations, businesses, universities, and tech colleges.

The Wisconsin Association of FFA is a leading student organization due to the efforts of more than 20,858 students across that state. With a focus on premier leadership, personal growth and career success, students’ FFA activities complement agricultural classroom instruction by giving them an opportunity to apply their skills and knowledge while gaining real-world experience. These activities are dependent on donor funding through the Wisconsin FFA Foundation. For more information about Wisconsin FFA and the Wisconsin FFA Foundation, visit [www.wisconsinffa.org](http://www.wisconsinffa.org) or [www.wisconsinffaoundation.org](http://www.wisconsinffaoundation.org), become a fan of Wisconsin FFA Foundation on Facebook, or call 715-659-4807.

Conner Bruins, Howie Sattler, Ethan Zuelsdorf, Kendra Hopp, Zack Ruenger, and Kaylee Mess are ready to throw candy and enjoy the parade!

FFA members work together on team building

Fun can build teams, too, as these FFA members demonstrate with their tie-dyed shirts!
