ALL:

Raising Caring Kids is coming to the Rosendale-Brandon School District!

Imagine the skills that allow people to calm down when angry, make (and keep) friends, participate in community, and make fair and safe choices. These skills help children (and adults!) succeed in school and life.

Throughout this school year, we'll send you brief articles, short videos, and fun ideas from University of Wisconsin-Extension's [Raising Caring Kids](#). The short articles and videos give ideas and activities to support your child's school success, positive behavior, and self-esteem.

Together we are raising caring kids!

Flu Vaccination

The Fond du Lac County Health Department will be offering injectable flu vaccine at Brandon School on Thursday, November 1st.

There is no cost but you **MUST** fill out the attached consent form and return to the office by Wednesday, October 31st. Please fill out all of the information and answer all of the questions.
