

# RI NEWSLETTER

NO SCHOOL: Just a reminder that there is NO SCHOOL on Monday, November 5th!!

KLEENEX: With the cold season starting early this year, we are running short on boxes of Kleenex. Please consider donating a box to the school so we have them when the cold season is in full swing. Your child can drop them off in the office. Thank you in advance.

BOOK FAIR: Please consider supporting our school library by shopping at our school's K-8 Scholastic Book Fair. The book fair is October 30-Nov. 6 at Rosendale Intermediate School. The book fair will include special shopping hours and Halloween activities on Oct. 31 from 3:30-5:30. We'll also have extended hours until 4 on Thursday, Nov. 1, and we will be open during the vendor fair on Saturday, Nov. 3 from 9-2. You can also support the fair by shopping online from now until November 13. If you shop online and want the items you purchase to be a gift, just type "parent pick up" in the gift message when you check out and Mrs. Mumm will contact a parent/guardian to pick up when the order is in instead of giving the order to the child. The online store is also a great way to shop from your child's teachers' wishlist to support their classroom library!

RAISING CARING KIDS: Throughout this school year, we'll send you brief articles, short videos, and fun ideas from University of Wisconsin-Extension's Raising Caring Kids. The short articles and videos give ideas and activities to support your child's school success, positive behavior, and self-esteem.

Raising Caring Kids: What's In a Face?

The ability to understand how people feel by looking at their faces is an important skill. To see and know how someone feels can help children get along with other people and be successful learners. Parents and teachers can help children learn to look closely at a person's body language and face to build on the important skill of understanding how others are feeling. Here's how to teach body language.

TREAT TRAYS: I have quite a few trays and containers in the office from Grandparents Day. Unfortunately they do not have names on them. If they are yours, please stop in and grab them or have your child grab them.

STUDENT (4K-12) FLU SHOT: The Fond du Lac County Health Department will be offering injectable flu vaccine at your child's school on Thursday, November 1, 2018. Flu vaccine is recommended every year by the Center for Disease Control and Prevention (CDC). This program is provided at no cost to you. \*\*Please see the attached Parent Flu Letter & School flu Consent.

MEGA PARTY: We will have Mega Party pick-up on Tuesday, October 30th. Please watch your email for more information.

TO THE PARENTS OF MIDDLE SCHOOL & HIGH SCHOOL ATHLETES: To check for game schedules and cancellations please go to [wisconsinflywayconference.org](http://wisconsinflywayconference.org). You may filter schedules of each sport and you may also sign up to have the system notify you ("Notify Me") of any changes in a schedule.
