Reminder of Upcoming Important Dates

Mon., December 24th- Mon., January 1st- NO SCHOOL - Winter Break

Monday, January 21st- NO SCHOOL

ALL:

Active Intruder Drills to Take Place in December

The safety and welfare of our staff and students are our highest priorities. Because of this importance, we practice drills in response to a variety of scenarios throughout the year. Based on experience and input from outside agencies, including law enforcement, the FBI, and the Office of Homeland Security, we make adjustments to our responses as deemed necessary. That is why the District has adopted a different strategy to respond to an active intruder on school grounds. We have adopted a response known as Avoid, Deny, Defend. Staff received training on this response last spring.

We are doing a number of things to train and prepare our students to implement this new strategy. A few weeks ago, our elementary teachers read a book called *I'M NOT SCARED...I'M PREPARED!* with their students and discussed plans of what to do if there is a "dangerous someone" in the building. Our 6-12 students are discussing the same concepts with designated building staff, and we will be completing announced drills at each school building beginning on December 13. As we continue to practice these drills throughout the year, staff may practice different strategies that lead to the safest outcome for their students. Therefore, it is very important for students to listen to the directions given by their teacher as the course of action during these drills will not always be the same.

We want our students and staff to feel safe at school. By practicing these types of drills, our students gain confidence in how to respond to a crisis. Our students benefit from reminders of safe practices in order for them to make good decisions regarding their personal safety. Parents can prepare their children by helping them understand the following objectives:

- While most people are good, there are people of all ages, color, and types that can be mean and may wish to harm them
- Self-confidence comes from trying things that are hard and getting better each time
- There are many solutions and options when faced with a problem
- When we are prepared for difficult situations, we can make informed decisions and will have more self-control
- Have your child explain the different safety drills we practice and how they respond to each drill
- Discuss the importance of following the teacher's directions without hesitation

Thank you for your help in making your child feel confident and safe. If you have any questions or concerns, please contact the principal at your child's school.

Please note:

Doors open for students to enter Brandon School at 7:45am each day. Supervision outside our main office entrance and Bowen Street entrance begins at 7:40am. In the event of inclement weather, such as rain, snow, or below zero temperatures, doors will open at 7:40. Please plan accordingly so that your student(s) arrive no early than 7:40am.

Coats, hats and gloves

All students are required to go outside for recess each day unless the temperature or wind chill is below zero. Please send your child to school wearing warm coats, hats and gloves. When it begins to snow, elementary students will also need to wear snow pants and boots daily.

School Pictures and Yearbook

We have been notified that if you want to order a yearbook online, you will have to choose Brandon Elementary for the school you wish to order from. The company said they could only have one label and they had it set up at Brandon Elementary. Our yearbook is joint between the elementary and middle school so even if your child is in middle school you will be ordering the correct yearbook. If you have any questions about your child's school pictures or placing a yearbook order, please contact HRImaging's customer service directly at: 815-433-1766 or online at www.hrimaging.com.

Employment Opportunities

Please see the attachment for a listing of current opportunities available within the Rosendale-Brandon School District. (Attachment: Emp Ops)

Winter Coats

If you are having an issue providing a winter coat for your child, please contact Mary Verch at vercmar@rbsd.k12.wi.us or call the Brandon School Office at 920-346-2915 for possible assistance.

Holiday Food Drive at Brandon School

Please join the Brandon School in collecting needed items from December 10-14th to help out our local families. Please see the attachment for a list of suggested items. All items collected will be donated to the Brandon Food Pantry. Thank you for participating! (Attachment: Brandon Schools Holiday Food Drive)

FFA/Culvers Fundraiser

Please see attachment for Info about FFA/Culvers Fundraiser (Attachment: Culver's Share Night Flyer)
