SOLO & ENSEMBLE: Middle School and High School Instrumental Solo & Ensemble is Saturday March 2nd from 8am-4pm at Laconia High School! We are looking for some community volunteers to help the day run smoothly. There are many positions available that need to be filled to make the day a success. You can help out the whole day, half day, or whatever works for you! We currently need help with some positions in the morning and many in the afternoon. If you would like to help at solo & ensemble please fill out the attached google form. Parents of band members who have already filled out the form do not need to fill it out again. Solo & Ensemble is hosted on an 8 year rotating cycle at schools in the Flyway Conference. Over the course of the day upwards of 500 student performers and many more parents, grandparents, family, and friends come to watch. It is a great day to highlight the great community that makes up the RBSD! RAISING CARING KIDS: Raising Caring Kids: Changing the Way You Look at the World: Perspective taking requires you to put yourself in another person's position and imagine what you would feel, think, or do if you were in that situation. Perspective taking helps children to be more successful as adults because they are better able to deal with other people. Seeing and understanding the world from someone else's point of view is an important life skill you can teach children to build healthy and satisfying relationships. [Explore more about perspective taking.](#)
