Spanish Classes & Future Travel Plans: There exists the possibility for high school Spanish students to take a trip to a Hispanic country in the summer of 2021. There may be a chance to have a "home stay" be a part of that trip. A "home stay" option means the students definitely need to have conversational Spanish skills. This means that it would be best to have had at minimum, Spanish 2. If students think they might be interested in a trip in 2021 they should enroll in Spanish 1 for 2019-20 and in Spanish 2 for the 2020-21 school years. While scheduling has already taken place, students/parents may request changes through March 8, 2018. Contact Mrs. Holdridge at holdani@rbsd.k12.wi.us with any questions.

Key Club Shoe Drive - The Laconia-Cirrus Key Club is accepting donations of new and gently used shoes. We have partnered with an international organization, called Soles for Souls. Since 2006, Soles for Souls has distributed 30 million pairs of new and slightly worn shoes around the world to help provide relief for those living in poverty. In many countries, shoes are too expensive for families to afford. Even sadder is that the schools do not allow students to attend if they do not have shoes. Your new or gently used donation will help people obtain not only shoes but an education. Key Club is accepting donations in the Laconia lobby until March 13th. Just look for the big blue boxes. We are looking for men's, women's and children's shoes. Please check twice that the shoes are in very good condition as we will not be able to use worn or old shoes and will need to dispose of them. For more information, contact Key Club sponsor Mrs. Benson at 920-872-5355. Thank you.

UW-Extention Offices are hosting a Tractor Safety Course - See attached flyer.
