

Counselor's Corner

Mark Your Calendars!

Submitted by Laconia High School Counselor Diane Raue

Students, what are you doing this summer? If it's working, going to summer school, or taking it easy, those are all OK responses. But summer is also a great time to take advantage of different opportunities that can help you to make the most of your upcoming school year.

Current 8th graders: Watch your mail for an invitation to the Freshman Transition Program for either August 12th, 13th or 14th. This is a great chance to become more familiar with Laconia's schedule, lunch, lockers, etc. You'll also take part in "Chromebook School" and receive your personal computing device on that day. You should also consider joining one of the fall sports. Being part of a team is a great way to meet people and feel a part of the school.

Freshmen and Sophomores: This summer could be a great time to check out possible volunteer opportunities. A lot of scholarships look at a student's community service. It's never too early to start. Not sure where to start? Simply look around your own community and see where you can make a difference.

Juniors: Wisconsin Private College Week is a great opportunity to visit several colleges and discover what's important in the college experience. During the week of July 8-13th, the private colleges in Wisconsin host special events to give prospective students and families an idea of whether or not a specific campus is a good fit. For more information, check out the website at wisconsinprivatecolleges.org/private-college-week.

Seniors: Remember to continue to open and read any mail that you receive from your future schools. You've worked too hard to miss out on something because you didn't meet a deadline. Congratulations on your achievements!

Do you want to get involved?

Submitted by District Business Coordinator Jen Post

Did you know that with the last biennial budget, the State of Wisconsin made it possible for residents with an **Associate's Degree** to be a substitute teacher? Residents with a Bachelor's Degree are still eligible, as well. With having either one of these degrees, you would also need to attend a one-day training with CESA 6 in Oshkosh and then apply for your substitute license. After receiving your license, you can start working for the Rosendale-Brandon School District as a substitute teacher.

Substitute teachers are able to pick up days at their convenience and can choose which schools and grade they want to sub in.

We are always looking for all kinds of substitutes. If you aren't able to get a substitute license, we have openings for substitute aides in all of our buildings.

There is information on our website about the CESA 6 training under the District Employment Opportunities section.

If you have questions, please email postjenk@rbsd.k12.wi.us

THE ROSENDALE-BRANDON SCHOOL DISTRICT IS GRATEFUL FOR SUPPORT FROM THE FOLLOWING:

Plant Science Class Visits First Graders

Submitted by Linda Sattler

Mr. Waters' first grade is filled with aspiring agriculturists. After a visit from Mrs. Sattler's Plant Science each first grader at Rosendale Primary has a tomato plant to raise and with a little luck tomatoes to share later this summer!

Austin Bradley, Brock Weinke, Kollin Ingalls, Landen Bos, and Greyson Johnson.

Parker Witt (center) and friends get help from seniors Cheyenne Grahn, Loren Schaezka and Kaysie Smith.

5th Graders Plant a Tree

Submitted by 5th Grade Teacher Jill Jochimsen

On Friday, May 17th, the 5th graders enjoyed a discussion with Emajeon Westphal and Rennae Quast about different types of trees, how they benefit the world, and threats to trees. They stated one of the threats is mowing too close to a tree, which can cause the removal of its bark. With too much bark removal, the tree cannot live long. They suggest surrounding trees with mulch to avoid this problem.

Following the talk, the ladies helped the 5th graders plant a sugar maple tree near the Rosendale Intermediate playground to help create a courtyard space for everyone to enjoy. Planting trees in the community helps Rosendale maintain its status as a "Tree City." According to the National Arbor Day Foundation website, arborday.org, as of 2018, Rosendale, Wisconsin has been a Tree City for 21 years!

Rosendale Intermediate 5th graders Molly Bongert, Jack Burns, Lydia Clausing, Kendra Dobberstein, Irelynn Fry, Cassandra Hiemstra, Sydney Houle, Rubie Kohlman, Chase Krozell, Owen Larson, Adalynn Last, Libby Manowske, Chris McGraw, Elaine Mielke, Kevin Nicholson, Wyatt Redman, Cohen Schellin, Addi Vande Berg, Josie Vande Berg, Anasofia Way, Emma Weis, Beckett Weisgerber, Cora Barthels, Dylan Boyd, Eve Clark, Gabe Duel, Isabella Fauska, Kolby Hensel, Luke Jensen, Marissa Johnson, Hanna Keel, Cecilia Knoke, Anya Kopf, Kaylin Lemke, Owen Leonard, Aubrey Maurer, Drake Nitz, Natalie Pionke, Connor Quast, Elsa Roets, Savannah Stahmann, Nikki Vande Berg, Allison Wiercinski and Brody Wiese.
