Dear Families,

The first week of school is nearly over and everyone is getting into the routine.

Just a couple of reminders, please make sure to share immunization records and/or updates with the school if you have not already done so and if your child is absent or missing a portion of school for medical, dental, etc reasons, please get a note from their doctor's office.

Attached is a letter from School Counselor Tom Teofilo, noting his schedule and upcoming activities for grades 2 and 3.

Box Tops for Education has always been a great fund raiser for our school. In the past Box Top coupons were clipped from items purchased and sent into the school. This process is being phased out and Box Tops are going digital. Attached is information on how you can still participate or go to www.boxtops4education.com for more information.
