November 7, 2019

Dear Families,

Winter is upon us,ugh. Please make sure to send boots, hats, gloves and snow pants with your child. We have a limited supply of items to hand out, gloves being the most limited. Reminder that our policy for going outside is 0 degrees and above with the wind chill.

Along with the winter weather, head lice has made its presence at Rosendale Primary School.

Classrooms affected have had notices sent home. Even if head lice is not present in your child's classroom, please be proactive in checking heads for signs of nits and adult lice.

Always notify the school if head lice has been found. This will help in keeping things under control by notifying others (anonymously) when head lice is present in the classroom.

Just in time for the holidays, Laconia Apparel Sale information is attached. There are many items to choose from. The online store deadline is November 18.

Rosendale Brandon School District employment opportunities are attached.
