See email for attachments.

**THANK YOU:** A HUGE thank you to the Grades 3-5 students and parents for your patience, encouragement, and support for your child's music education. Thank you to those who attended the hot dog supper and carnival beforehand to support the RI Student Council and what they do for the students of our school. And, of course, for attending the concert and watching the work, skills, and practice come together in the show. The flowers are so beautiful and they have dressed up the music room and my home. I really appreciate it. ...Mrs. Vande Berg
