Dear Families,

Just a reminder, school will begin Tuesday, September 1!

We are very excited to bring the students back and we are doing everything possible to make Rosendale Primary a safe place both for students and staff.

During registration, parents signed a form giving permission for their child(ren) to use G-Suite core services within the district. In addition to those services, please find attached more information about this and the [list of apps and extensions](#) that have been vetted by the RBSD technology team to verify that they are COPPA and FERPA compliant and therefore may be used by our teaching staff. This list is updated at the beginning of every semester. If you have any questions, please contact your building's library media specialist.

If your child is a bus/van rider, they should be ready for pick up around 6:35 a.m. for the first couple of days. Once the route times are established, arrival and drop off times should become consistent. Questions or concerns please contact Jeff Thomas at 920-872-5308.

RBEL will again be offered to students that will be 3 years old by September 1, and will attend 4 year old kindergarten next year (21-22). An online form is attached for parents to submit their information. Classes will begin October 6. Classes will be virtual to begin the year. Click on this link:

Dear Families,

Just a reminder, school will begin Tuesday, September 1!

Thank you to everyone who completed the Rosendale-Brandon Attendance and Transportation Preferences form. If you need to update us on your attendance preference, please call the Rosendale Primary School office (872-5310) as soon as possible; if you need help with transportation, call Jeff Thomas, District Transportation Director(872-5308).

If your child is a bus/van rider, they should be ready for pick up around 6:35 a.m. for the first couple of days. Once the route times are established, arrival and drop off times should become consistent.

Last week's home email contained important reopening information, such as our start time and our [new 3pm](#) dismissal time. Please see the attached document for more updates.

Included below is the reopening letter that was sent August 7, from Superintendent, Wayne Weber. Even though registration day has past, there are many important paragraphs that will address some of the many questions we have received on building protocol, what is expected with virtual learning and important websites for COVID -19 resources.

Attached is a list for employment opportunities at RBSD.

Have a great weekend.

Dear Families,

Registration and Picture day will be held on Wednesday, August 12, from 9:00 a.m. - 2:00 p.m. and 4:00 p.m. to 7:00 p.m. **Both activities will be held at Rosendale Intermediate School**, 200 S Main Street. This should make it easier on parents who have children at Rosendale Primary and Rosendale Intermediate. To promote social distancing, you will need to reserve a slot for each student to attend. **Masks are required to all attendees 5 and older. Masks can be removed for student photos, if you choose.** The invitation to sign up should have arrived in your email on Wednesday, July 29.

Several attachments have been included in this email to look over prior to the new school year. Packets will be available at registration with information that needs your signature. Fee forms will also be in the packet.

We will be collecting fees and lunch money. PLEASE MAKE OUT A **SEPARATE** CHECK FOR ANY LUNCH MONEY PAID.

School Pictures

We will be using a new company this year for pictures. The whole district will now be using the same company, Network Photography. We are excited to make the process easier for parents who have children in more than one school in the district. Below is a link to see the options and pre-order and pay for your pictures.

Lunch Packet Information - Click this [link](#) for important lunch information including the Free and Reduced Price Meal application. With economic times being an issue for some parents, please strongly consider filling out the Free and/or Reduced Price Meal application along with the Sharing Information With Other Programs form. This could also potentially save you money on other school fees.

RBSD has many employment opportunities. Please check out the attached information.

Dear Families,

Attendance/Transportation Survey - Yesterday a survey was sent to ONE email per family, asking for your input regarding your child(ren)'s attendance this fall and transportation preferences. If you did not receive the email, chances are another family member did. If neither of you received the emailed survey, please contact Jill Englund (engljil@rbsd.k12.wi.us or 920-872-2851) so that your input is considered as the district considers all the respective details for providing educational services this coming 2020-2021 school year. Thank you.

Registration and Picture day will be held on Wednesday, August 12, from 9:00 a.m. - 2:00 p.m. and 4:00 p.m. to 7:00 p.m. **Both activities will be held at Rosendale Intermediate School**, 200 S Main Street. Dear District Families,

At our last Board meeting (7/20/20), a plan was approved to reopen our schools this fall for all students. This plan was developed considering numerous sources including guidelines from county and state health departments and the Department of Public Instruction, as well as data from our parent and staff surveys. The reopening plan as well as summaries of the survey data are attached to this email. Please review the Reopening 2020 attachment as it gives you some detail of what the plan entails.

The majority of our families clearly communicated that they would like their children back in school, in person. That sentiment was shared by our staff. While the plan is to bring students back for face to face learning, please be aware that our schools and procedures will look very different than they have in the past. We will do the best we can to mitigate the risk to our students and staff. At times, those mitigation efforts may cause inconvenience for families. I thank you in advance for your understanding and flexibility as we navigate these changes.

Our building leadership teams will be working diligently over the next weeks to take this district-level plan and make it work in each of our buildings. Watch for correspondence from our staff in the coming weeks as those plans are formulated.

As always, we look forward to working with our students and families to provide the best learning opportunities possible.
