

RI Weekly Email from Sept. 3, 2020

See email for attachments.

We have made it through almost a week of school and it feels so great to be back with students and teachers!!! I am very proud of how the students have been doing in class, recess, arrival, dismissal and wearing their masks!! They have all handled themselves amazing with all of these crazy changes.

RI RETURN TO SCHOOL INFO: Please see the attached information for Rosendale Intermediate Schools Return to School information and important updates.

ROSENDALE INTERMEDIATE SCHOOL FUNDRAISER: Tomorrow, Friday, September 4th RI will be having our Kick-Off to this year's fundraiser. This year things will look a bit different than in the past - our kick-off for the students will be virtual and take place in their individual classrooms and pickup will be curbside. The fundraiser will run September 4-September 22 and curbside pickup will be October 20th. Materials will be going home with your child tomorrow. Please follow this [LINK](#) for an informational video and more information for parents! If your child is attending school virtually, but would still like to help with the fundraiser, please stop in the office to pick up the packet.

TECHNOLOGY: During registration, parents signed a form giving permission for their child(ren) to use G-Suite core services within the district. In addition to those services, please find attached more information about this and the [list of apps and extensions](#) that have been vetted by the RBSD technology team to verify that they are COPPA and FERPA compliant and therefore may be used by our teaching staff. This list is updated at the beginning of every semester. If you have any questions, please contact your building's library media specialist.

RBEL: RBEL has created an online Google Form that parents can fill out in order to gather information about the families that want to participate this year! Please click on this link: <https://forms.gle/bmSPCc1u7Jjbriyy5>
