

RP Weekly Email from Sept. 3, 2020

See email for attachments.

Dear Families,

We just want to let you know that your children are doing an "awesome" job of wearing their face coverings, sanitizing their hands and listening to directions. These first 3 days are going by fast and the kids and staff are happy to be back in the routine.

If you are sending notes or calling the school related to a student absence, please make sure and give a specific reason for the absence.

Just a reminder to send your child with their own water bottle. We have a fill station for the bottles but the water fountains have been turned off.

RBEL will again be offered to students that will be 3 years old by September 1, and will attend 4 year old kindergarten next year (21-22). An online form is attached for parents to submit their information. Classes will begin October 6. Classes will be virtual to begin the year. Click on this link:
