

Speech Class Online

Submitted by LHS English Teacher Kim Schuenemann

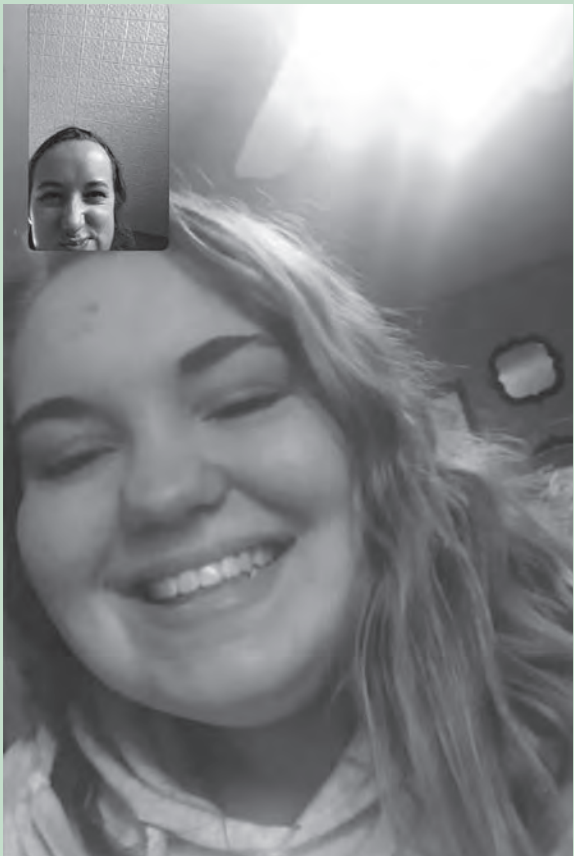

Writing isn’t complete without the proofreading and editing process! Despite being separated from friends and peers, students in Mrs. Schuenemann’s speech class gathered together to peer review their upcoming speeches.

Carley Madigan snaps a picture during her peer review session with her brother, Brady Madigan, a 2018 Laconia alumnus.

Savanna Newbury works with her sister, Sadie Newbury, to help peer review her outline.

Maleigha Dehn and Sadie Zacharias pair up to peer review their speech outline before presenting.

2020 Spring Noetic Math Contest Results

Submitted by Cindy Taylor RBSD Gifted and Talented Coordinator

If it is spring, that means the mathletes in grades 2-5 are busy preparing to participate in the Noetic Math Contest. The students get so excited to practice and show off the math skills they have gained during the year. Sadly, this spring was very different due to the Covid 19 Pandemic, so school was closed and our practice sessions cut short.

The competition switched from paper and pencil to an online format so everyone could still participate. Twenty-three students from Rosendale Intermediate and Primary Schools participated and thirteen from Brandon Elementary. As always, our mathletes demonstrated that math problems are no problem. Honorable Mention is awarded to students who score in the top 50% for the grade nationwide. National Honor Roll is awarded to students who score in the top 10% for the grade nationwide.

Grade 2, Rosendale: Kollin Ingalls, Team Winner and Honorable Mention; Bentley Mueller, Honorable Mention; Brandon: Charlie Farrell, Team Winner and Honorable Mention. **Grade 3**, Rosendale: Adam Jenson, Team Winner and Honorable Mention; Logan Giebel, Team Winner and Honorable Mention; Brandon: Finnley Frank, Team Winner and Honorable Mention; Eli Bohn, Honorable Mention. **Grade 4**, Rosendale: Jackson Blashe, Team Winner and Honorable Mention; Tillman Madigan, Honorable Mention; Brandon: Blaise Post, Team Winner. **Grade 5**, Rosendale: Kendyl Pluim, Team Winner and National Honor Roll; Francesca Fisher, Honorable Mention; Courtlyn Hanson, Honorable Mention; Peyton Kraus, Honorable Mention.

What is an SAE?

Submitted by Agriculture Teacher Linda Sattler

If you have ever taken an agriculture class in the Rosendale-Brandon School District, you have created an SAE project. So - what is it? SAE stands for Supervised Agricultural Experience. SAE is not a term unique to our agriculture department. If you take an agriculture class in any school in the nation you should be required to have an SAE. However, the way we approach SAE projects in the Rosendale-Brandon School District might be different than the way they approach it in Waupun, Lomira, or even Texas. We create SAE Projects to LEARN and EXPERIENCE agriculture. Our goal is to learn something new and spend some time doing it. Our definition of agriculture is ANYTHING that has to do with plants, animals, and natural resources.

So what counts ? A LOT. Hunting, fishing, working with animals or plants, researching careers or college majors in agriculture, the list goes on and on. Here are some examples of the AWESOME SAE projects from our online learning time this spring.

Gabe Horvath and Carter Farrell experience some hard earned turkey hunting success. Hunting, scouting, and researching are all SAE Project experiences.

Both ice fishing and regular are popular options.

Woods projects, especially projects involving wildlife are great choices for SAE projects. Our Laconia kids make some impressive bird houses.

Summer Reading Program 2020

Submitted by Pam Mumm and Amy Slonecker

Now more than ever, it’s important that our kids read throughout the summer. We do have a summer reading program planned to run Wednesday afternoons at Rosendale Intermediate School from 1:30-3:00 when summer school is in session July 8-August 4. Our theme this year is Imagine Your Story. We will once again be doing reading logs during the summer library program.

Before the program gets underway, however, we’d love to invite your child to complete the Reading Bingo sheet. A bingo will earn a sweet treat! If a student completes a black-out, they will also win a free book. Bingo sheets should be turned in at our first summer reading program on July 8.

*If summer school is unable to run in-person this year, we will NOT be having a summer reading program and there will not be reading logs for the second half of summer. We will still honor the Reading Bingos; however, if we are unable to meet in-person on July 8, kids can wait until we are back in school and give their Reading Bingo sheets to Mrs. Mumm in person or email or mail their reading logs to Mrs. Mumm at Rosendale Intermediate School (200 S. Main Street, Rosendale, WI, 54974).

Summer Reading Program - READING BINGO

Get your read on in June! While our in-person program won't start until summer school starts, kids can still earn a sweet treat by completing a reading bingo by our first summer reading program on Wednesday, July 8. Bring your completed bingo board to Rosendale Intermediate School on Wednesday, July 8, from 1:30-3:30 to receive your prize.* Students will receive a new reading log at the reading program to complete for the second half of the summer for more prizes!

Read a book more than once	Read a biography	Read a book about animals	Read for 20 minutes	Read in the dark with a flashlight
Read in the bathtub	Read for 60 minutes	Read outside	Read to a pet or stuffed animal	Read a book right when you wake up in the morning
Read for 40 minutes	Read out loud	FREE SPACE	Read in your pajamas	Read a fairy tale
Read on a rainy day	Read with a family member	Read under a table	Read a magazine or newspaper	Read for 20 minutes
Read a nonfiction book	Read wearing a hat	Read for 30 minutes	Read in a blanket fort	Read a library book

*If we are unable to meet for the summer reading program, feel free to mail your completed bingo sheets to Pam Mumm at Rosendale Intermediate School, or send completed bingo sheets to school with your child in the fall.

A bingo earns a sweet treat!

A blackout earns a free book *and* a sweet treat!
