

Jam On!

Submitted by RI's 5th Grade Teachers Kevin Engel, Abby Goebel, & Nate Vandenberg

The fifth grade classes at RI have been enjoying having vocabulary competitions against each other every Friday afternoon. Using vocabulary.com, they have a "Vocab Jam" session weekly to increase their vocabulary skills while building camaraderie that both in-person and virtual students can participate in! Keep jammin' on, fifth graders!!

Sloppy Joe Day!

Submitted by Andrea Schneider

The Food Service Department continues to serve up healthy and delicious foods for students and staff. Recently, we celebrated with t-shirts for sloppy joe day!

In other news, the high school a la carte section reopened on November 2 with cookies, beverages and snacks, though no hot meals as of yet.
