Upcoming Meetings:

(Most) Club meetings are held at Brandon School the 2nd Monday of the month. Join us on Monday, November 9th, for a Club Meeting starting at 6:30 p.m. at the Alto Community Center to see what we are all about and enjoy a guest speaker. New members welcome!!

Monday, November 9th ACHIEVEMENT PROGRAM and MEETING at Brandon School parking lot 6:30-8:00 p.m. **RSVP's required to Sue Bruins according to COVID guidelines this year.**

Currently we have around 45 members, and 28 certified leaders.

We are very family oriented.

We do Community Service Projects.

We go on club trips.

We exhibit at Alto Fair and can also show at the Fond du Lac County Fair.

We have lots of fun...even when it's hard work!

Ask your friends about 4-H. 10 lbs. Yellow Onions (large/medium) = \$11.00

New Staff

Dawn Barb, LHS Counselor

My name is Dawn Barber. I am originally from South Milwaukee but I have been living in Ripon for the past 28 years. I have three sons. Kenton (25) is a Steadicam Operator for NBC Golf Channel in Orlando; Tate (21) is currently a junior at St. Norbert College and Quinlan (14) is a freshman this year at Ripon High School. I have a 12-year-old Welsh Corgi named Percy. I like to kayak in the summer and travel when it's safe. One of my favorite places to visit is California. I also have a part-time job at Vines & Rushes Winery. During the school year, you might find me there on a Saturday evening.

I received a Bachelor of Science degree in Psychology from the University of Wisconsin-Oshkosh in 1989 and went on to a graduate program right away. I received my Master of Science in Education and Counseling from UWO in 1991.

I always knew that I wanted to work in a helping profession. My first major was nursing but I was pulled toward psychology and ended up changing my major. Not knowing at that time what I would end up doing with that degree. One of my psychology professors was a great mentor to me and he suggested that I continue my education in counseling. Focusing on school counseling was a natural choice for me because I had a positive experience in school with my teachers and I wanted to impact students in the same way.

I am extremely grateful for the opportunity to work with students at Laconia High School. My goal is to advocate for every student, particularly in the area of mental health. I will work with students to be their best self today and prepare to be productive adults for tomorrow.

Chrystal Meli, Registered Nurse

Hello! My name is Chrystal Meli. I grew up in Pickett and now live in Ripon. I am married and we have six children, two horses, two dogs and a cat. We love family time, going kayaking and traveling to the UP.

I went to Ripon High School and then became a Registered Nurse after graduating from Moraine Park Technical College. I am currently pursuing my masters degree in nursing.

I decided to become a Registered Nurse when I was 16 years old. There was a life event that occurred and it was from that point that I decided I wanted to help patients and their families during life's difficult times.

I understand Rosendale-Brandon has not had a full time school nurse until now. I would like to build a system to help foster student health and to increase health awareness in the district.
