

# Making It Work

Submitted by Brandon School Principal Leanne Greff

While the start of the 2020-2021 school year has had some challenges to work through, I am so proud to be part of a school district that has come together to think creatively and get students back to learning. Our classrooms, playgrounds, and cafeterias don't look quite the same as they did last year, but the things that truly matter have stayed the same. Our teachers and support staff are here each and every day connecting with students and helping them get excited about learning. Our students are excited to be back, and they have adjusted so well to the different procedures that have been put in place. Our parents are adapting to the new technology and procedures and are sending their students to school ready to learn and willing to adjust. I've always been proud to be a Spartan, and this year only makes me appreciate our students, staff and parents more.

## The Laconia Locker is Back!

Submitted by Business Teacher Beth Kwakkel

I'd like to introduce the Dual Credit Introduction to Business class and your 2020-2021 Laconia Locker Team. The team has been hard at work, developing the 2020-2021 sales strategies and developing new apparel design ideas.

On September 17th & 18th, the team had a traveling sale during snack break to allow students access to the merchandise. As we proceed through the school year, the team is focused on creating a Google Site to link to the district website to offer items for sale. The DESTINY team will assist with inventory and with order fulfillment once we begin online sales. The Laconia Locker team thanks you for your business and patience as we set up for online sales. We hope to have new products available for purchase soon!

The Laconia Locker team poses next to their new product display near Mrs. Jensen's room. Pictured are Jack Zickert, Hunter Krueger, Harmony Snellenberger, Miranda Boyd, Cade Slager, and Aiden Pinno. Not pictured - Caden Wittchow.

## Laconia FFA Poinsettia Sale
