RBSD Facilities Advisory Committee Update:

The District recently conducted a parent survey that included the following question: How aware are you of the work being done by the FAC?

More than half of the respondents selected “Not very aware” and “Not at all aware”.

The RBSD FAC would like all District parents and residents to feel informed of the work being done to plan for the future of District Facilities.

Ways you can stay informed:

1. Ask any FAC Member for more information.
2. Review meeting materials on the District website.
3. Attend FAC meetings to listen and learn about progress to date and steps moving forward.

Next meeting:

Tuesday, June 8 at 6pm at Rosendale Primary
