 *****Bus transportation for 2021-2022 school year*****

Watch for a link starting the week of July 19th in the parent email to register your child for bus transportation for the upcoming school year. You'll be able to register online from July 19th through August 13th.

 **Summer Reading** - Please continue to raise readers over summer! While our district is not hosting an in-house summer reading program this year, we are teaming up with the Brandon Public Library to offer a reading bingo game where all ages (even you, grown-ups!) can earn prizes for reading! We're also collaborating on pop-up reading events throughout the summer, which will be posted on Facebook. We also encourage you to check out all of the programming and reading incentives your family can participate in at other public libraries in the area as well. [Click here for more information and to see what area libraries are offering over summer.](#)

 **German Exchange Update:** We are in an exploratory phase to reinstate an exchange between RBSD and Alfred-Wegener-Schule in Kirchhain, Germany. Although we have organized and completed this exchange many times, there are many questions that can't be answered immediately. International travel regulations, immunization requirements, flight prices, and firm hosting and travel dates are being monitored and continually discussed. We will all have to work together as a team and practice flexibility to make this a

successful experience. The interest survey, linked below, will simply serve as a starting point for coordinators and families. Interest Survey: If your child is going to be in 8th grade during the 2021 - 2022 school year and is *interested* in taking part in the 2022 exchange program, please click on the following link to complete our interest survey: <https://forms.gle/QeA9xChmmrfdBEcDA>
