Laconia Powerlifting

Submitted by Tyler Thurke

Laconia Powerlifting Club was started in 2015 by Phys. Ed. teacher Mike White. Mike has been the head coach ever since. The team has sent several athletes to USA Powerlifting’s National Meet over the years to compete at the varsity level, resulting in a handful of top 10 finishers. This is the first year we sent athletes who qualified for junior varsity competition as well.

This year the event was held May 27 through May 30 in Aurora, Colorado. We were fortunate enough to have 9 of our athletes qualify to compete, 7 at the JV level and 2 at varsity.
