MEDICATION

Unless absolutely necessary, medication should be given outside the school day. Before prescription or nonprescription medication can be given to students at school, **the main office must have the proper information and consent forms on file. A doctor's signature is necessary for all prescription drugs.** All medication is stored and dispensed in the school office. If you have any questions, please call the school office.

Written parent consent is necessary for all prescription and non-prescription medication (aspirin, cough medicine, etc.). Drugs must be in the original container and must have written parental consent.

Students with prescription asthma inhalers will be allowed to keep them on their person to use when necessary if the parent has filled out the appropriate forms and requests that the student keep the inhaler with them. The student must also have the written permission of the physician.

A copy of the medication form is sent home at the beginning of each school year. Additional copies can be obtained from the school office and on the district website.

NON-CUSTODIAL PARENTS

Our Schools abide by the provisions of the Buckley Amendment with respect to the rights of noncustodial parents. In the absence of a court order, we will provide the non-custodial parent **who requests it** access to the academic records and to other school-related information regarding the child. If there is a court order specifying that no information is to be given, it is the responsibility of the custodial parent to provide the school with an official record of the court order.

LOST AND FOUND

Lost and found is maintained by the office.

Students should report the loss of any articles or money to the office immediately. Students who find articles or money should turn these into the office at the earliest opportunity so that they may be returned to the rightful owner.

Under no circumstances should students leave money in their lockers or backpacks. Money can be brought to the office for safekeeping; it will be placed in a sealed envelope with the student's name and amount on it. During physical education class student money or valuables should be turned in and locked in the physical education office; *do not* leave valuables in the locker room.

LUNCH PROGRAM

The Rosendale- Brandon School District uses a computer management system for the school lunch program. This system records each student's lunch and milk purchases and automates the fee processing.

Each student is assigned a bar code. Students will not, however, be issued a lunch ticket or bar code to carry. The cashier scans the code when the student purchases lunch or milk. The purchase is automatically charged to the student's family account. Parents are responsible for their child's lunch accounts.

Families may prepay for as many lunches or milks as they like; however, all families are expected to keep a positive balance. ~~at least \$20 in the account.~~ Lunch balance notifications are sent out weekly via email to both parents if an email address is listed. ~~of accounts that fall below twenty dollars will be sent home via email.~~ If the student ~~family~~ lunch account becomes \$-20.00 or greater, meals will no longer be offered and a peanut butter sandwich and a carton of milk will be offered to the student. ~~reaches zero dollars or has a negative balance, your child will not be able to participate in the lunch program.~~ The Board of Education made this policy effective 12/19/2016. ~~August 1999.~~

Price

Lunch and milk prices are set by the School Board and appear in the *Spartan Sentinel*. A half pint of

STUDENT RESPONSIBILITIES: *Be kind; Be safe; Be responsible.*
In the Rosendale-Brandon Schools we depend on students to be responsible for their behavior. Everyone makes mistakes from time to time. Accepting responsibility for one's actions is part of the process of growing up.

We also depend on our students' sense of citizenship, pride in themselves, and pride for the school to govern their behavior rather than creating a long list of regulations for students to follow. Listed below are some general responsibilities for all students:
